

JAYNIE & JEFFREY

Hello + Thank You

Hi there!

Thank you for taking the time to look at our profile. We cannot thank you enough for considering us in your adoption plan. We realize that while we are joyful and excited to prepare for a child, what you are doing is brave and selfless. We respect and admire you so much, and we are committed to pray for you. We hope this book gives you a glimpse into our family and the love we are ready to give to more children.

A FEW OF OUR FAVORITE THINGS

We are working our way through a list of steak restaurants and love trying authentic Mexican food.

- OUR CHURCH COMMUNITY
- SPENDING TIME WITH FAMILY AND HAVING PEOPLE OVER
- TRYING NEW RESTAURANTS
- BEING OUTSIDE
- GOING TO THE SYMPHONY (THE CELLO IS OUR FAVORITE)

Traveling to Germany and China

In 2016, after nearly everyone we knew kept encouraging Jeffrey to ask me out, we started dating and got married a year later. Our first couple years of marriage were filled with grad school, traveling, and hosting friends in our apartment all the time. In our first two years of marriage we traveled to ten countries! Before dating, we both lived internationally, and we love trying new foods and learning about other cultures.

Our oldest son was born in 2022, and after miscarriages and infertility, we welcomed our youngest son into our family through adoption.

Adoption has been the most wonderful experience of our lives. We are eager to welcome a new baby (or babies!) into our family again through adoption.

ALL ABOUT Jaynie

A NOTE FROM JEFFREY

Jaynie is a tremendous wife. She takes an interest in those around her and considers others more important than herself. This shows itself in being an instant friend to those who meet her, a helper to those in need, a devoted mom to our sons, and my closest friend. She finds joy in using her time and skills to serve our family and our church. Jaynie is hospitable, fun, funny, has the warmest smile, is an incredible cook, and makes our home a place where family and friends want to be.

ALL ABOUT Jeffrey

A NOTE FROM JAYNIE

My favorite thing about Jeffrey is his gentleness. He is hard-working and a natural leader, but he is driven by kindness and gentleness that comes from God's work in his heart. Everyone he talks to feels important, because of the way he listens and asks questions. Jeffrey is tender and thoughtful towards me, and he's my dearest friend. He loves being a dad: his eyes light up talking about our sons and future children. One of my favorite things about him is how he prioritizes our family. He is light-hearted and never complains, and is truly the easiest person to be around. He is also funny and cracks me up all the time.

OUR Boys

Our oldest son is a friend to everyone he meets. His favorite things are his brother, cowboys, and all things outdoors. He is affectionate and loves to sit in our laps to read a book.

Our youngest son is happy, easy going, and has the best laugh in the world. He wants to do everything big brother does. Watching their friendship grow has been the highlight of our year.

OUR Family

We live less than fifteen minutes away from all of our family: grandparents, siblings, cousins, great-grandparents, everybody! We spend a lot of time with our families.

Jeffrey's family

My parents have been married for 39 years. They live ten minutes away, are retired, and are generous with their time towards us. I have an older sister and a younger brother, both of whom are married with young kids. We get together on Monday nights for family dinner, go to the beach together every summer, and have a lot of fun with cousin playdates. Time at their house almost always includes a delicious homemade cake.

Jaynie's family

My parents have been married for 36 years. They are retired, live five minutes away, and love being with their grandkids. We go to the beach every summer together, and we joke that their house is a giant playroom: they've transformed their basement, backyard, and a few bedrooms to be a fun place for grandkids. I have one younger brother who lives nearby with his wife and kids. We have playdates all the time and the cousins love being together. Adoption has been a part of my family's story for four generations.

OUR Friends

WE LIVE NEAR A LOT OF CLOSE FRIENDS. MOST OF OUR LIFE REVOLVES AROUND OUR CHURCH AND THE RELATIONSHIPS WE HAVE THERE. SINCE I (JAYNIE) STAY AT HOME WITH OUR SONS, WE GET TO SPEND A LOT OF TIME WITH FRIENDS. WE LOVE HAVING PEOPLE IN OUR HOME AND HOST REGULAR DINNERS WITH FRIENDS.

Very thankful to be surrounded by a village of people ready to love and support.

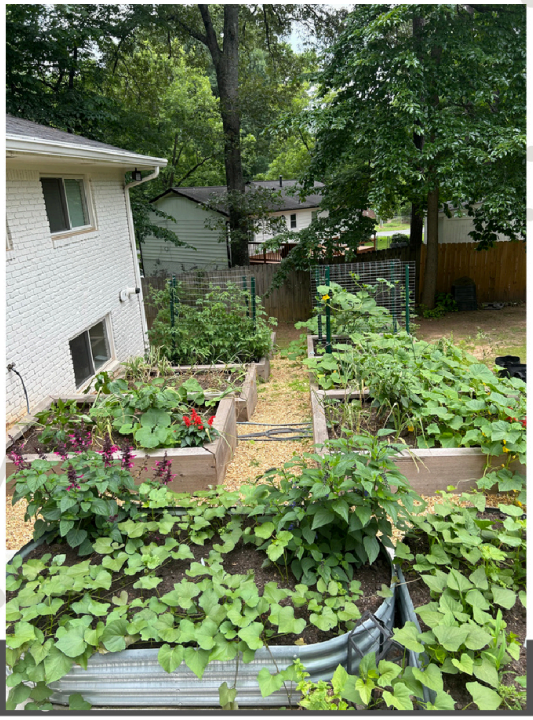

OUR Home

Backyard

We love our home and bringing people into it. We live in a quiet neighborhood with a lot of young families. We have a large, flat backyard with a playset, a huge blow-up water slide in the summer, and a big veggie garden. Our basement has a playroom with a big spiral slide carved into the wall for kids to play.
